

***American Society for Reconstructive Microsurgery  
Visiting Professor Program  
Application to be a Visiting Professor***

*The ASRM Visiting Professor Program highlights the fantastic work of microsurgeons and ASRM members as well as the diversity associated with a practice involving microsurgery and complex reconstruction. ASRM members will be selected to participate in this program each year based on applications received. Visiting Professors will be provided up to \$5,000 to cover flight and transportation to and from the host institution. The host institution is responsible to pay the remaining costs including hotel, meals and local transportation. It is suggested to complete 3-5 trips in one calendar year. Based on the Program's request for Visiting Professors you would be assigned Visiting Professor trips at the direction of the ASRM. Travels dates are worked out directly between the visiting professor and program. The visiting professors are asked to give a brief 10 minute summary of their travels and experience as an ASRM Visiting Professor during the ASRM Annual Meeting following their travels.*

*To qualify the applicant is to be a longstanding and an actively participating member of the ASRM.*

Name \_\_\_\_\_

Institution Name: \_\_\_\_\_

Mailing Address \_\_\_\_\_

\_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_ Country \_\_\_\_\_
